

Norwegian Woodturning Cruise

Norm Olsen called the meeting to order at 6:57 PM.

We had one guests – Savir. He was a guest of Kai and Ken.

Albert announced the next sawdust session would be on November 24th, followed by one on December 8th.

Norm announced that Doug would like someone to take over the newsletter, and Albert is looking for someone to take over the organizing of the Sawdust sessions. Talk to Doug or Albert to find out what is involved in these positions, and then volunteer to Norm.

It was announced that Oneway is implementing a 10% price increase, so buy quick if you're looking for something.

Kai talked about the Festival of Crafts show that we just participated in. Kai felt it was a good show. Please pick up your unsold items. Thank you to all the volunteers, especially Sherry for driving the trailer. Steve Olson informed the build that we sold \$2,910 including \$580 in tops and scoops. Parking costs for volunteers that manned the booth were \$240. Dwayne Sims moved that we pay for the parking costs out of the top sales. This motion was seconded by Greg Dahl and passed. We will end up with just over a 60% commission that will need to be deducted from the sales to pay for the booth. Final numbers will be announced at the December meeting.

Steve Olson informed the guild that he had the insurance certificates. Anyone else that wishes to sign up for insurance should see him ASAP. Cost is \$20/year if you just want liability coverage for selling, \$50/year if you are teaching. Both options include \$10,000 for tool insurance.

Norwegian Woodturning Cruise

Several of our members recently went on a woodturning cruise. Four slide shows were shown, not just about the wood turning part of the cruise but also about Norway and their experiences. Norm Olsen was first, followed by Dean Sinnott, and then after the break Richard De Groat following by Wilf Talbot.

Dave Beeman did the raffle draw with help and many pieces of wood found new homes. Marc Tremblay won \$70.00 in the 50/50 draw.
